Centralized Intake

1-800-667-0816

Centralized Intake

provides a single point of contact for referents and community members to access immediate supports and brief services across the province of Ontario.

Centralized Intake supports the needs of community members provincially using coordinated access and response approach.

- Allows community members a single point of entry to services offered across the province
- Provides immediate, short-term, focused support services
- Alleviates wait lists
- Assesses community member needs to support internal and external referrals to various programs and services
- Safety Planning and Advocacy supports
- Connections to education, information, and community resources
- Cultural supports and holistic services

ONWA VISION:

At the Ontario Native Women's Association (ONWA), we celebrate and honour the safety and healing of Indigenous women and girls as they take up their leadership roles in the family, community and internationally for generations to come.
